0640/0715    **Backup Radio Call:1413 Vine: Mcdonalds : Assist FB 1 with arrest and follow up to LAPD station.**

**At the location FB 1 made an arrest of a male black subject, who is known to us a habitual trespass subject who creates multiple calls for service through out the BID. Subject is also known to trespass at the Salvation Army Senior Center Residence. FB1 and FB 4 have given this person multiple warnings to not trespass at the following locations: Salvation Army, Tommys, Starbucks, and Eastown. When Ofcr Trujillo requested the RP manager (Ceriano) of Mcdonalds to sign the PPA, the RP refused. FB 1 arrested the subject based on the blanket trespass authorization we have on file. When I was advised by Trujillo of the situation, I spoke with Ceriano to learn why he would not sign the PPA. Ceriano stated he never signed a PPA before and he felt the BID did not meet his standards when we responded to Mcdonalds for service. I attempted to educate him on what the BID officers can do and cannot do legally. He stated he will talk to the owner and advise her not to use the BID. I further stated that we respond to this location multiple times a day to sometimes enforce their company policy of only allowing 30 minutes within the restaurant as a courtesy. I further stated that we have responded and serviced this location with professionalism and that we are here to provide a service but his lack of cooperation is a liability to the officers and the BID.**
